

Photonics Ireland Conference 2025

3rd to 5th September 2025

Radisson Blu Hotel, Cork/Ireland

We invite you to the 11th instalment of the biennial Photonics Ireland conference. Photonics Ireland is the premier event in Ireland bringing together PhD students, early career and established researchers as well as industry representatives working in photonics and semiconductor research. This conference presents the state of the art research and challenges in these fields and provides a platform for scientific exchange and networking on a national, European and international level.

We welcome submissions for oral and poster presentations, and especially encourage PhD students and early career researchers to submit an abstract.

Programme highlights

- Invited talks by international academics and speakers from industry
- Short talks by participants
- Poster sessions
- Conference dinner on 4th September 2025
- Networking sessions
- Industry exhibition

Topics

- Photonic Materials
- Photonic Devices
- Imaging
- Nanophotonics & Plasmonics
- Optical Communications & Networks
- Optical Sensing and Spectroscopy
- Photonic integration and packaging
- Photonics in Quantum
- Photonics for Space
- Photonics in Health
- Photonics for Energy and Environment
- High power and short pulse lasers

Deadlines

- Abstract submission: 30th April 2025
- Early bird registration: 25th June 2025
- Regular registration: 19th August 2025

Fees

- Early bird student: EUR 120.00
- Regular student: EUR 140.00
- Early bird regular: EUR 220.00
- Regular standard: EUR 280.00

Co-chairs

- Brian Corbett, Tyndall National Institute
- Paul Townsend, Tyndall National Institute
